What does the future hold for Mt. Vernon? What will the discovery of new space frontiers bring to one's everyday life?

No one knows the answers to these questions; but, one can expect that in the future it will be said that many millenniums ago there was a high school. This was not any ordinary high school to over eight hundred students. It was their own speck on the planet Earth to absorb knowledge, to participate in athletic competition, to partake in clubs, and to enjoy the making of harmonious noise.

"Let's board our intergalactic space vehicle and travel back to the twentieth-century to relive the 0001981-0001982 school year at Mt. Vernon."

SOLVE IT!

From preppie to punk, from euchre to Rubick's Cube, from designer jeans to cowboy boots, the fads at Mt. Vernon varied widely.

Many students decided to dress in alligator shirts and wear top-siders. There were also students who wore "Save the alligator, eat a preppie," T-shirts. Whatever you wore or did during the year, chances are others were doing it too, and it was "in."

An eventful Homecoming week ended with a 17-6 win over New Palestine. The week began with the traditional spirit days. On Thursday night the first bonfire pep rally was held. The Spirit Day contests were held on Friday afternoon. Before the game, the floats were judged. The winner of the club contest was the FFA. Winner of the class floats was the Juniors. During halftime, Patti McComas and Dempsey Arnold were crowned king and queen. After the game the Student Council sponsored a victory dance.

Staying up late; cramming until 2:00 a.m; reviewing page after page of notes, tests, and quizzes; and waking up with butterflies the morning of the tests. These are only a few of the more thrilling aspects of final examinations. Who will ever forget finals; that one-and-a-half hour fingernail-biting test with multiple choices down to triple "Z" and over one-hundred tricky TRUE or FALSE.

The first semester finals will be remembered for a few special reasons. First of all, they were the first mandatory finals in three years. And secondly, they will be remembered for the freezing rain that was to blame for many parents phoning the school and announcing, "Leave your car at school and ride the bus home."

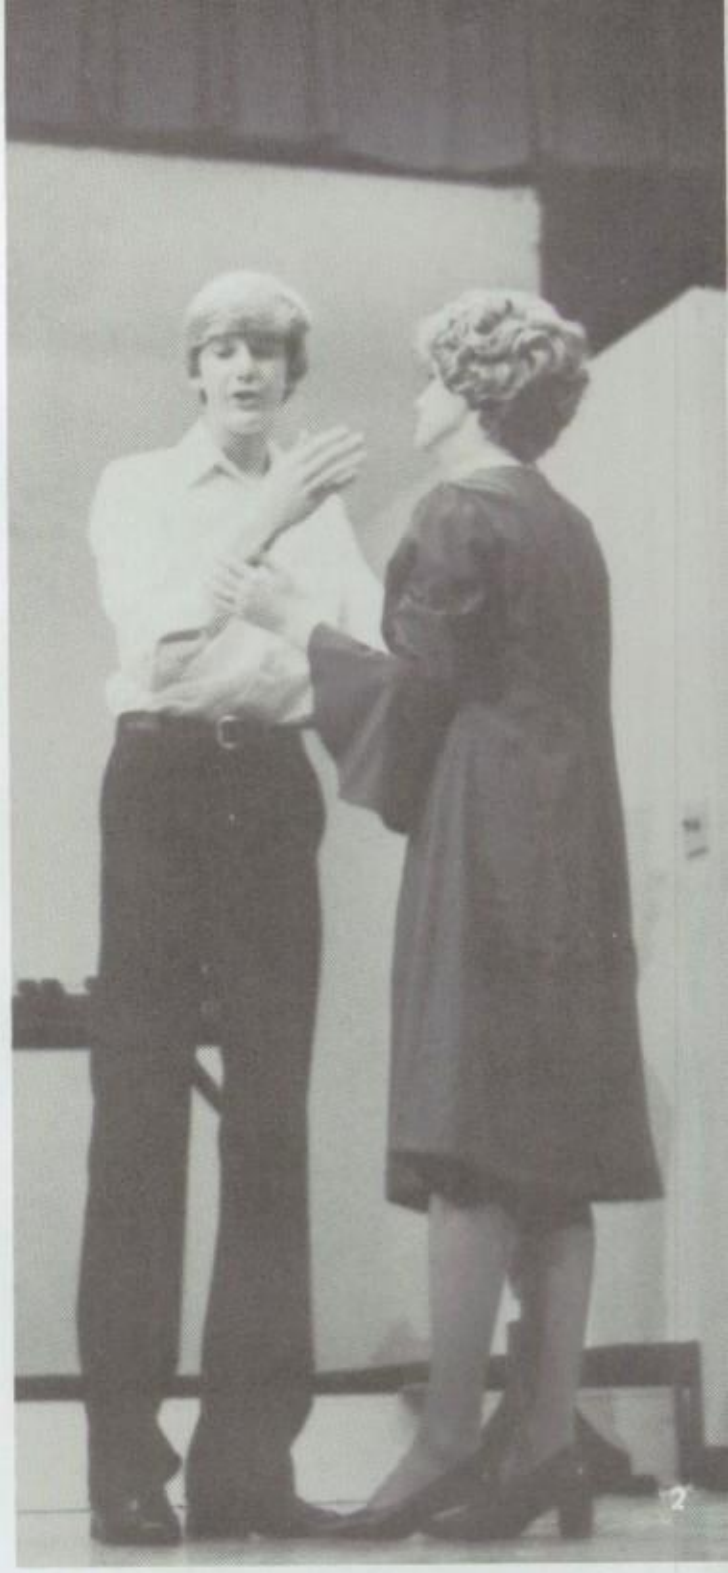
The Christmas season at Mt. Vernon is celebrated in many different ways. One important way the season is celebrated is through music. On Dec. 10, the Choir went to Washington Square and Castleton Square to carol to the shoppers. Many busy people took time out to stop and hear the sounds of young students. On Dec. 13, the annual Christmas program to the parents and the community was presented by the Band, Orchestra, Choir and Swing Choir. During the intermission, high scholastic achievers received awards.

Christmas at Mt. Vernon would not be complete without the Snow Whirl dance. When one walked into the cafetorium on Dec. 19, it had been transformed into "Visions of an Old-Fashioned Christmas." The character of the large room was outstanding; the SunShine Society did an extravagant job with the decorations. The music was easy-going and seasonal, presented by the New Palestine Dance Band. During the evening, Jenny Henry was crowned Snow Whirl Queen. Mt. Vernon really knew how to celebrate Christmas.

YOU CAN'T TAKE IT WITH YOU!



1) Alice warns the family to behave when her date, Tony, arrives. **2)** Mr. Sycamore explains to his wife that their unusual lifestyle is to blame for Alice's wanting to leave home. **3)** Mr. DePinna is held against his will by one of the three J-Men. **4)** Even though bald Mr. DePinna has aged, he is still limber enough to touch his toes. **5)** Mrs. Sycamore paints a picture of "Greek" Mr. DePinna. **6)** Tony gives Alice a "see you in the office tomorrow" good-bye. **7)** Grandpa gives thanks for the unique way in which the household lives.

On Nov. 6 and 7, the Drama Club presented the zany comedy, *You Can't Take It With You.* The story itself involved the "adventures" of the Sycamore family. It was set in New York City in the 1930's. The play was filled with comedy, but there was also a message that came through: relax . . . do what makes you happy, and enjoy life . . . because, after all, you can't take it with you!

PERSONALITIES

per son al i ty, n. 1. the quality or fact of being a particular person; personal identity; individuality.

This Webster's definition fits the entire student body of Mt. Vernon. During the year everyone struggled to express themselves, each in a different way. There were the enthusiastic extroverts, shy introverts, serious "intellectuals," creative artists and musicians, aggressive athletes, class clowns and well-rounded achievers. The intermixing of these personalities produced Mt. Vernon's identity.

KINGS AND QUEENS

Winter Homecoming week was very exciting and festive. Even though we lost 60-64 to the Westfield Shamrocks the afternoon pep session was a winner all by itself. The seniors did a basketball players remembrance skit; there was also a "If I were not a junior" skit. The sophomores performed an Unreal People skit while the freshmen put on a skit about a shamrock getting ready for school. The cheerleaders performed "Rice Pudding" over and over and over and over somemore. The finale of the session was probably the best and most original of anything at a pep session. The members of the boys' basketball team dressed as queen candidates, and the girls' team dressed as king candidates. For the first time ever Mt. Vernon had a person crowned queen and king. Steve Doud and Joan Dobbs were selected as king and queen at the pep session. During halftime of the game Steve Doud and Lori Alford were crowned king and queen. Winter Homecoming definitely was an exciting and most interesting event.

SOUNDS OF THE BIG BANDS

The "Sounds of the Big Bands" roared into the cafetorium on April 23 and 24, during the 1982 Extravaganza production. The band under the direction of Mr. Stadler and the pompon corps under the direction of Miss Griffey performed a large selection of tunes from the 1940 Big Band Era. Announced by Steve Doud and Russ Allen on radio station MVHS, the program took everyone in attendance back through the '40's. They recapped news, sports, politics, and then the top songs of the year. Some of the decade's hits included: "Moonlight Serenade," "String of Pearls," "Woodchoppers' Ball," "Stompin' at the Savoy," "Stardust," and "Slaughter on 10th Avenue." The nostalgic performance was concluded with the traditional "Battle Hymn of the Republic" and the signing off of radio station MVHS.

VISIONS OF A DREAM

During the day of May 1, many young men washed cars, cleaned the interiors, showered, dressed in a tuxedo and some even shaved. Some young women spent the day resting, fixing their hair and picking up corsages. What was all this commotion about? It was all preparation for the 1982 prom.

The prom, sponsored by the juniors, was held at the Holiday Inn East. The theme "Visions of a Dream" was evident in the decorations of stars and clouds in the room. Jack Johnson was crowned king while Jenny McKeeman was crowned queen.

After the prom there was the annual post prom party at the middle school. "Carnival" was the theme, and a circus the party was! The school was filled with the smell of popcorn, cotton candy and snow cones. In the early morning hours there were people gambling with play money, swimming, tossing rings at bottles and playing Pac-Man. The party ended with a parent talent show and an auction. The post prom party was really a party and a lot of fun.

FIDDLER ON THE ROOF

On March 11, 12, and 13, the traditional spring musical was presented. *Fiddler on the Roof* also dealt with tradition but in a different way. Social traditions were broken when the women danced with the men. Religious traditions were broken when Chava, a Jew, married Fyedka, a Russian. Marriage traditions were broken when Motel and Tzeitel married because they were in love and not because a matchmaker had matched them.

With a Russian accent, David Rice played the part of Tevye with perfection. Also making outstanding appearances were Marie Schwartz, Tammy Scrogham, Joe Heitman and Cheri McNew. The musical proved to be one of the best. *Fiddler on the Roof* certainly lived up to a Mt. Vernon tradition.

FAREWELL!

April 3, 1982, was a very important date for two important persons. Both of these people turned sixty-five years of age on that day and both retired in June from Mt. Vernon High School. These two people are Mr. Chic Davis and Mrs. Laura McFarland.

Chic Davis began working in 1974 at Mt. Vernon Middle School and then at the high school. Chic also worked for twenty-five years installing gas furnaces and fixing appliances. Chic made friends with the student body. Many students enjoyed joking with Chic as they went through the lunch line.

Mrs. McFarland started working in 1950, at Fortville High School where she was secretary and treasurer. Mrs. McFarland worked under four principals: Mr. Mills, Mr. Terrell, Mr. McCleerey and Mr. Thomas. One would have to think hard to remember a time when Mrs. McFarland became short or angry at a student. Mrs. McFarland was honored on May 14, which was proclaimed Laura McFarland Day. "I have enjoyed every day of my job," stated Mrs. McFarland. "Everyone has always been so nice. We have a good school system."

Chic Davis and Mrs. McFarland dedicated many hours of service to Mt. Vernon High School.

FINALE

For twelve years, one hundred fifty-seven students waited in anticipation for May 23, 1982. Before that date could arrive, many students attended Senior Honor Night on May 19. Students received awards and recognition for their service and dedication to their school.

When May 23 finally did arrive, many students had mixed emotions. Most wanted to leave, but also had feelings of hesitation. The gymnasium was filled with the class colors, burgundy and cream, and the class flowers, the rose and carnation. The invocation was given by Teena Fleetwood and the address by the Rev. Joseph S. Kos of St. Thomas Catholic Church in Fortville. Valedictorians Rex Walker, Bob Letsinger and James Saindon also spoke to the class. Finally, the event that everyone had waited for, the presentation of diplomas by Mr. Larry Yazel, occurred. The benediction was given by Bob Lamaster.

During that day the graduating seniors kept in mind their class motto: "Our challenge lies in the opportunities of tomorrow."

Strong. Vigorous. Rowdy. These adjectives were just a few of the ones used to describe the varsity football team. The team, most of all, had to be tough. During ten weeks the team played the toughest schedule in school history. With a 7-3 season seven Marauders were elected to the all-county team. They were Eric Salzmann, Jay Cowan, Phil Renforth, Rusty Allen, Bill Kingery, Scott Ierardi and Sam Bush. The season also produced two Marauders of the Year, Rusty Allen and Bill Kingery.

The freshman football program produced an impressive 6-1 winning season. Coach Earlywine stated, "This freshman team contained the greatest number of quality football players that Mt. Vernon has yet produced."

VOLLEYBALL BLUES

The varsity volleyball season was a bleak one with no wins. First year coach, Miss French, stated, "This season was a rebuilding year for future teams." Several underclassmen, Jeanene Olin, Carol Aschermann, Joan Dobbs, and Shelley Nieman were the promising hope for future teams. Marauder of the Year was senior Laurie Faenzi.

ON THE REBOUND

With a new varsity coach, the Mt. Vernon basketball program prospered. The varsity, coached by Mr. Howell, posted an encouraging 10-12 record. One highlight of the season was the exciting Greenfield sectional. The double overtime game with New Palestine genuinely was a suspenseful and entertaining game. Although we lost to Greenfield, the group of young men never gave up their goal of winning the sectional. Jeff Kelly and Kirk Earlywine were named the Marauders of the Year.

The reserve team finished the year with an even record of 10-10. The reserves also had a new coach, Mr. Wilson.

The freshman "A" team with a record of 2-8 was led in points by Jay Hine with an average of twelve per game and a season of twenty-one points. The freshman "B" team's record was a winning one, 5-3.

THROUGH THE HOOP

The girls' varsity basketball team posted a 15-4 winning season. The season record alone however, did not quite display how exciting the season really was. The lady Marauders posted a ten game winning streak. The record did not represent the thrilling sectional games against New Palestine and Greenfield. The Marauders also won their own Mt. Vernon Invitational Tournament by beating Cascade and Center Grove. Trish Braun and Jamie Bales were both selected to the all-county team as well as receiving the Marauders of the Year.

The reserve team was a place where everyone got a chance to play. "The freshmen and sophomores gained valuable game experience," stated Coach Earlywine.

WRESTLERS AND COMPANY

The swim team timers ran stopwatches during the boys' swim meets. The group of young ladies decorated the pool area and bought boutonnieres for the team members during sectionals. The timers were also responsible for tabulating and posting the scores for the meets.

The mat maids were in charge of the wrestling meets. They gave the team moral support as well as mopping off the mat and distributing ribbons for home meets.

Tim Stumph finished third at the regionals and was also awarded the Most Improved Wrestler. Receiving the Marauder of the Year was junior Joe Heitman.

The Marauder cheerleading squads had a very exciting and successful year. The varsity squad attended a cheerleading camp at Ball State University before the school year began. They also travelled to Lansing, Michigan, and competed in the "Grand National Championships." The varsity squad received sixty-ninth place out of 220 varsity teams. The reserve team went to camp at Indiana University and received six ribbons. The reserve squad also competed in other contests during the year and received a highest placing of second. The freshmen went to camp and received five ribbons.

The Marauder Maniacs' goal was to promote spirit throughout Mt. Vernon. The Maniacs worked in team with the cheerleaders to boost everyone's crazy spirit.

TERRIFIC TENNIS

If you were watching Mt. Vernon boys' tennis matches in 1981, you were watching the best team in Hancock County. Mt. Vernon produced the best record in the county by winning 70% of their sixteen matches. Mt. Vernon also had three team members make the all-county team: Steve Doud, James Saindon, and Oran True. For the first time sectionals were held at our courts. We were defeated by Greenfield 4-1, in first round action. The only winner was No. 2 singles player Steve Doud.

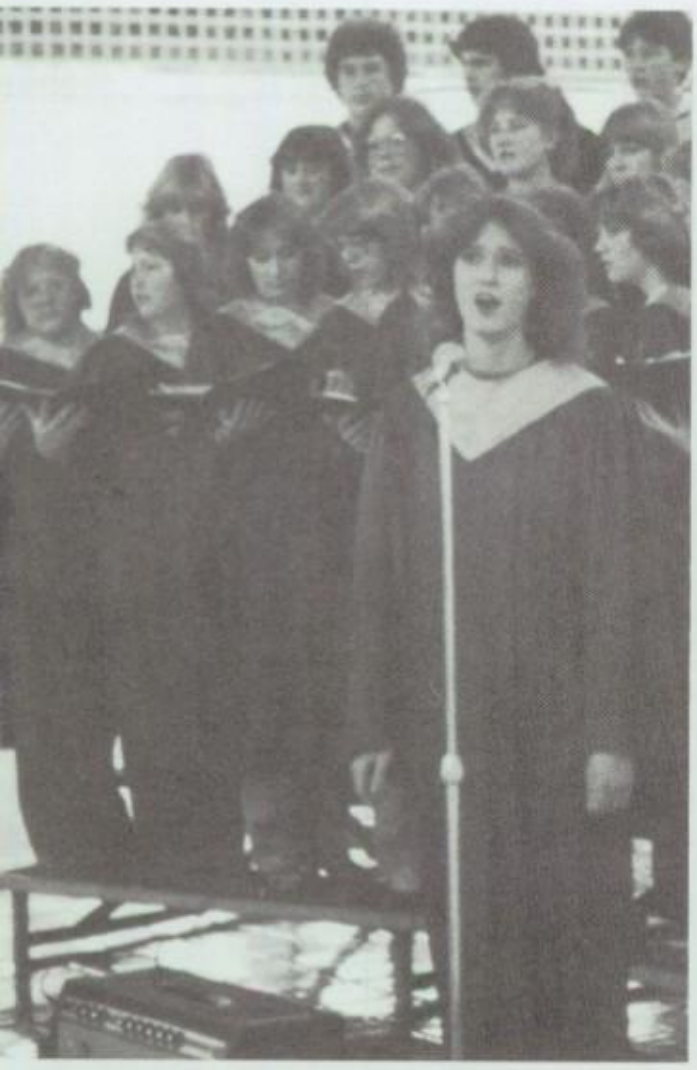
CAN'T STOP THE MUSIC



Sore feet, lip blisters, exhaustion, and a checkered carpet were only a few of the things over one hundred band and pompon corps members had in common. One specific thing they all had in common was marching and music. During the summer of 1981 they rehearsed and rehearsed. They practiced so much that they competed in the Shelby County Fair, Winchester Band Tournament, Delaware County Fair, Zionsville Festival Parade, Riley Days Parade and Butler University's Mass Band. They knew that all of this work had to lead to something and it did. In May the Marching Marauders showed it all when they marched in the famous 500 Festival Parade. For the first time ever the band was on national television before millions of Americans. They had made it and couldn't be stopped.

With many new members the choir was a new choral group. The group participated in many community activities. Through their music, they brought pleasure to many people from Fortville to Indy to Greenfield. They performed at the Riley Days activities. They caroled at Washington Square, and held a Christmas concert for shoppers at Castleton Square. The group also performed for the annual community Christmas Christmas program.

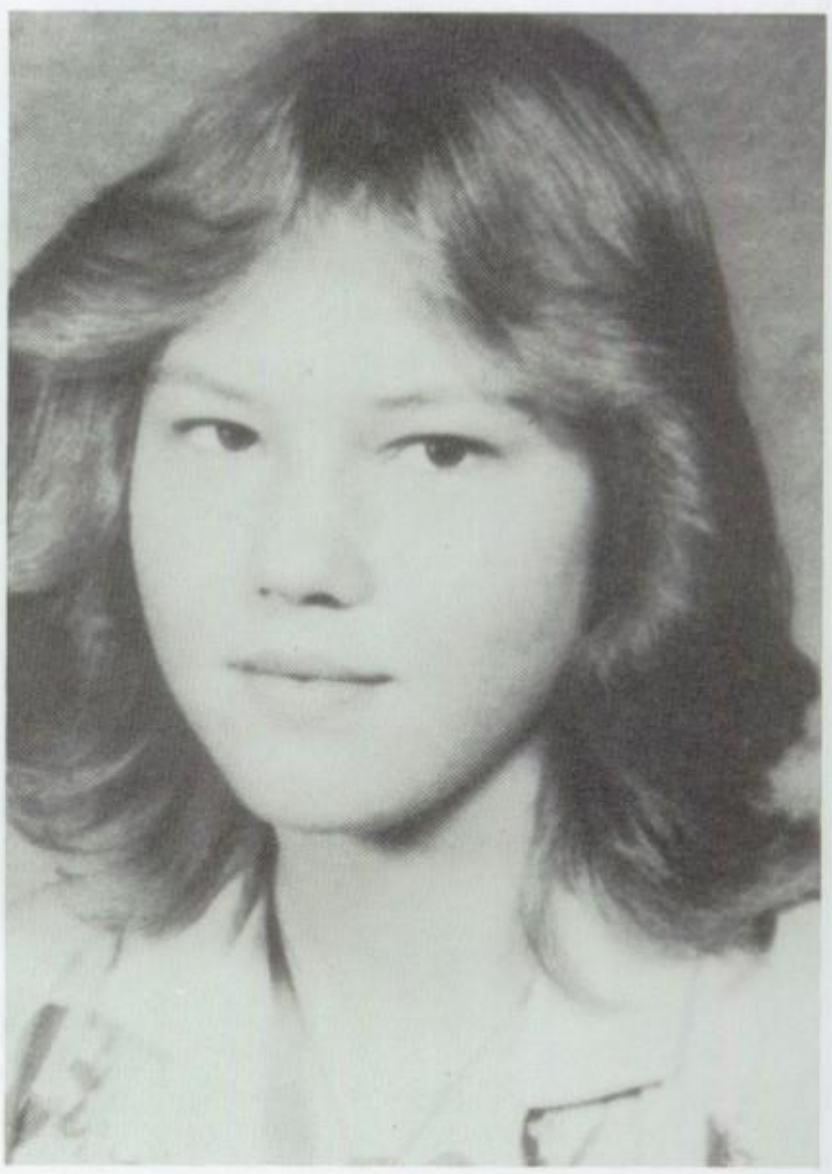
Mark Owens



Terri Houchens

"Parting is such sweet sorrow"
Is a line that is very true,
But for every today there is tomorrow
For the lucky ones like me and you.

Sometimes some things happen
That can never be explained.
They may now be gone,
But the memories still remain.

We shared a few laughs;
We shared a few tears.
But then the time came,
The end of their years.

They are out of our sight,
But not out of our hearts.
They were taken that morn'
And given new starts.

It came as a shock
To one and to all.
But it was their time;
God made his call.

Today brings tears and memories
Of the four gone to rest.
They will never be forgotten
By those who loved them best.

We all think of you
As the days go slowly by;
Terri and Mark,
To us you'll never die!

— Debby Kincade

Mark Owens and Terri Houchens were killed in a single engine plane crash in McCordsville on June 28, 1981. Terri's mother Annette, her father John, and their poodle were also killed.

Vonda Johnson

Vonda Johnson was only sixteen when she succumbed to cystic fibrosis, but Vonda never gave up. Her birthday was Nov. 9. Vonda went to school at Fortville Elementary and Mt. Vernon Middle School. Vonda began her freshman year in high school at Pendleton Heights. Vonda was the youngest child and had two brothers, Tim and David, and a sister Robin. Her parents were Mr. William Johnson and Mrs. Dorothy Johnson.

Vonda enjoyed doing string art and reading her Bible. Vonda was very brave about her illness and never complained. Vonda always had a pleasant personality.

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul.
He leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death,
I will fear no evil;
For thou art with me —
Thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies;
Thou anointest my head with oil;
My cup runneth over.

Surely goodness and mercy shall follow me all the days of my life:
And I will dwell in the house of the Lord for ever.

The Bible

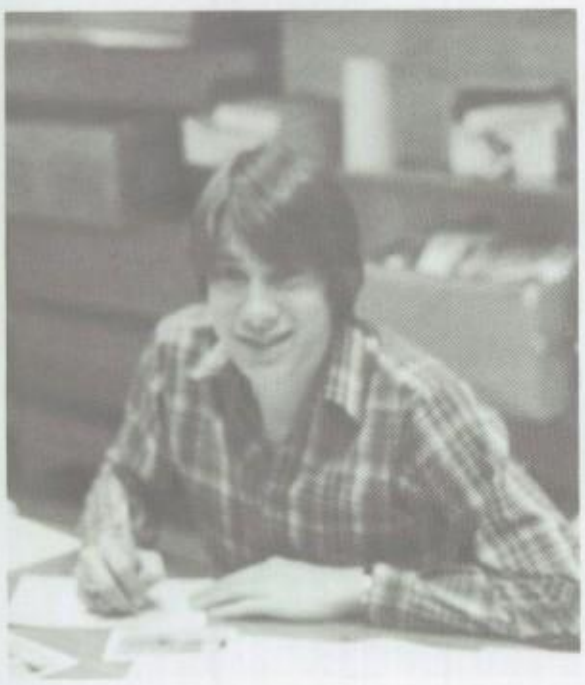
Vonda Johnson died early morning March 15, 1982, a victim of cystic fibrosis.

STARBURST '82

In the fall of 1981 I could only dream about producing a book like this. I had hopes and fears of how the 136 pages would turn out. I spent hundreds of hours composing a book with a new look, more photographs, more exciting copy, more creativity, and more accuracy. Since less that 1% of the student body produced this book, please overlook any glaring omissions or mistakes.

I would like to thank all members of the yearbook staff. I would like to thank all of the sponsors, coaches, and faculty who were most cooperative. I would also like to thank Mr. Dale Briles of DaJo Studio, and Mr. Robert Mahl of Taylor Publishing Company. I would especially like to thank Mrs. Rose McKinney for her advisorship.

Rex Walker — editor



Taylor Publishing Company in Dallas, Texas, was the location of printing for 468 copies of *Starburst '82.* This edition was Smyth-sewn and printed on 70-lb. matte paper. Most headlines were set in 36 pt. in these typestyles: Pioneer (Asteroids and division pages), Maximus (The Senior Empire Strikes Back and Close Encounters of the Clubs), Orbit (Space Invaders), and Busorama Bold (Opening). Body copy was printed in 10 pt. and captions in 8 pt. Helvetica. The cover was printed on durolithin 4-color process.

Top: *Ecehlon* Staff. FRONT ROW: Michelle Head, Mindy Mundy, Shelley Nieman and Rex Walker (editor-in-chief and photographer). BACK ROW: Tonya Drake, Mike McLaughlin, Sherri Kremer and Mrs. McKinney (advisor). **Middle:** Rex Walker, editor, works on one of the many fine details in this edition. **Bottom:** Ad Sales Staff. FRONT ROW: Rex Walker and Sherri Kremer. ROW TWO: Julie Kelleher, Susan Alexander, Amy Hanson and Shelley Nieman. BACK ROW: Michelle Head, Mark Sprout, Jenny Henry, Tonya Drake, Julie Paul, Heidi Hancock and Howard Boles.
